Site Inspection: The Department of Natural Resources strongly urges anyone wishing to purchase a parcel to first review all information and then personally inspect the land before submitting a bid. The land chosen by a bidder/applicant is taken "as is" with no guarantees, expressed or implied, as to its suitability for any intended use.

## **Veteran's Land Discount**

The Veteran's Land Discount described in this section cannot be applied to parcels acquired in the Veteran's Preference Sale. Per AS 38.05.940, eligible veterans may receive a <u>25 percent discount</u> on the purchase of state land. This Veteran's Land Discount may only be used **once** in an applicant's lifetime.

## Veteran's Discount Oualifications

To be eligible, a veteran must submit proof, acceptable to the department, that he/she:

- 1. Is 18 years of age or older at the date of sale;
- Has been a resident of the State of Alaska for a period of not less than one year immediately preceding the date of sale (see Residency Requirement);
- Has served on active duty in the U.S. armed forces for at least 90 days, unless tenure was shortened

- due to a service-connected disability or due to receiving an early separation after a tour of duty overseas (use Form DD 214); and
- Has received an honorable discharge, or general discharge under honorable conditions.

For the purposes of this program, armed forces are limited to the United States Army, Navy, Marines, Air Force, and Coast Guard. Service in state National Guard units, the Alaska Territorial Guard, as well as Army, Navy, Marine, and Air Force Reserve service may also be included, provided the applicant can document the accumulation of 90 days of active duty service. A Form DD 214, Report of Separation from Active Duty, or the equivalent, showing the character of the discharge and length of active duty must be submitted. Interested veterans are encouraged to request their Form DD 214 well in advance of the auction.

The Veteran's Land Discount may be applied only to acquisition of surface rights to the land. It may not

be applied to survey and platting costs, or other costs reimbursable to the state. These reimbursable costs will be subtracted from the purchase price before the discount is calculated. The reimbursable cost per acre or lot is listed in the table on page 7.

Successful bidders who qualify for the Veteran's Land Discount <u>must apply for the discount at the time of the award notification</u>. The amount of the discount will be deducted from the principal sum of the sales contract or from the purchase price if the purchase price is paid in full.

For a purchase to be made jointly with another, both purchasers must be eligible veterans. Under these circumstances, only one 25 percent discount will be given and both veterans will have exhausted their once-in-a-lifetime land discount.

At right is an example of how a Veteran's Land Discount would be calculated for a 3.349-acre parcel with reimbursable costs of \$959 per acre; if the bid price were \$14,000.00:

VETERAN'S DISCOUNT CALCULATION							
Per Acre Reimbursable Cost	\$	959.00					
"X" Parcel Size (Acres)	2	3.349					
Total Reimbursable Cost	\$	3,211.69

Less the Reimbursable Cost	\$	-3,211.69					
Amount eligible for discount	\$	10,788.31					
25% Veteran's Discount Rate	<u> x</u>	0.25					
Veteran's Discount	\$	2,697.08	\$	-2,6 <u>97.08</u>			
Discounted Purchase Price (Bid Price Less Discount)			\$	11,302.92
